(i) first to make a trading profit?

(ii) to have eliminated all cumulative losses?

12. ADVERTISING AND OTHER REVENUE

12a. What arrangements do you propose for the sale of advertising?

12b. Briefly show how you have estimated your annual revenue from the sale of advertising time (taking into account e.g. population coverage, percentage of airtime sold, tariff levels).

12c. Who within the radio station would be responsible for advertising. (Please confirm that he/she will be made familiar with the Code for Advertisements and Sponsorships as laid down in the Third Schedule of the Broadcasting Act).

12d. If you plan to raise revenue from sources other than the sale of airtime for advertising (e.g. merchandising, commercial production, co-funding, etc.), please list these below:

Type/source of revenue	Expected annual income (Yr 1) €	% of total revenue required
------------------------	---------------------------------	-----------------------------

14. STUDIOS (Until an offer of licence is made the Authority does not wish to be told which engineering company or consultancy, if any, has been or will be providing advice or services to the applicant).

14a. What is the proposed location (give the actual address, if known) of your studio(s)? What is the property currently used for?

14b. What form of acoustical treatment and isolation do you envisage for your studio(s)?

14c. On a separate sheet, insert a rough scale plan of your studio(s), technical areas and other principal rooms, giving all dimensions.

14d. On a separate sheet, list and price all studio equipment you either have or intend to purchase, giving proforma specifications.

14e. Please add any technical points regarding studios, in addition to those given in sections 12a to 12d.

14f What arrangements do you propose for linking your studio(s) with the transmitter?

15. READINESS DATE

How long after the award of licence would you be ready to start broadcasting?
What are the main factors that will determine your readiness date?

I certify that, to the best of my knowledge, the details given in this application for a licence to provide digital radio broadcasting services are correct, and that I have read the Broadcasting Act and understand the terms under which licences to broadcast are issued. I understand that, if awarded the licence, tape recordings of all output, apart from commercial tapes, records or discs (with timings), will need to be made and retained for ninety days prior to being recycled and that if phone-ins are part of the station's programming a delay mechanism will need to be installed and instructions given for its use where necessary.
